### Cell Phone Rule

I am going to allow you to bring your phones to this event to allow you to stay connected to your family and check in with your parents throughout the week. That being said, I do not want you just sitting around on your phone all day. If you are, I (or one of the other leaders) will ask you to turn in your phone and you will get it back at the end of the day. This trip is something to experience and you can't do that if you're glued to your phone all day. No phones during Service, Paper Bibles Only.
